

EXHIBIT A

DID YOU KNOW?

Glyphosate targets an enzyme found in plants but not in people or pets.

The label features a central 'Roundup' logo. To the left, a red banner reads 'WHERE TO USE' and lists application areas with corresponding images: Flower Beds, Around Trees, Driveways & Walkways, and Fence Lines. To the right, a green banner reads 'WHAT TO KNOW' and lists benefits: Rainproof in 10 Minutes, Visible Results in 3 Hours, and Plant 1-3 Days After Application (with a note to see the booklet for details). Below these, a blue banner reads 'HOW TO USE' and shows a 'Connect Hose' and 'Extend Wand' step. A small 'OPEN ABRA' label is also visible.
